Dear Students,

Welcome to the 2013-2014 school year at Sunny Hills High School, a National Blue Ribbon School of Excellence. The Lancers are ranked in the top 10 of the best High Schools in Orange County, the top 1% in California, and top 5% of the Nation. Academics, Arts, and Athletics offer a wide range of options for all students to find a place to learn and grow.

As many of you already know and some of you who are new will discover, Sunny Hills High School offers each of you tremendous opportunity. There are many programs available to you at Sunny Hills, including Honors, Advanced Placement, International Baccalaureate, Engineering Pathways to Innovation and Change (EPIC), Conservatory of Fine Arts (COFA), Agriculture/FFA, competitive athletics, and student government. These programs are of the highest quality and are taught by a highly qualified and energetic staff.

Sunny Hills is a community that promotes positive interaction among all students, staff, and parents. We all have the responsibility to ensure that the school remains a safe and orderly educational environment. I ask each of you to continue to show respect for your fellow students and for the faculty and staff who work diligently to provide you with an outstanding and enjoyable education. With every student and staff member committed to making a positive impact, Sunny Hills will continue to shine as a model school community.

The high school experience is an opportunity for students to explore interests, to discover passions and strengths, and to identify areas for personal growth and development. I encourage each of you to accept the challenge to get involved in campus life: Join a club. Try out for a part in a play. Participate in a sport. Take advantage of opportunities now so you will look back on your high school experience with a sense of accomplishment and joy. Always strive for personal and academic excellence, be a positive participant in the Lancer community, and build a solid foundation for success.

Sunny Hills High School is a place for you to set and reach a variety of goals not only to enrich your life but also to enrich the school community. Each of you brings unique qualities, talents, and strengths to build on the rich tradition of Lancer pride. Working together as students, parents, staff and community there are no limits to your academic and personal accomplishments.

I wish you all a great 2013-2014 school year.

Judy A. Fancher, Ed.D.  
Principal

Welcome to Sunny Hills, Lancers!

As the school year comes to a close, a new one is well on its way! This new school year is filled with limitless opportunities, experiences, and adventures. No matter where you come from, where you have been, or where you think you will be in the future, Sunny Hills is the perfect high school for you! I genuinely hope that each student at Sunny Hills makes the most out of this year and enjoys the countless benefits offered at this school. Whether it is your first or last year at Sunny Hills, make it count!

Freshmen, welcome to high school! I know that the transition into Sunny Hills is a dramatic change in your life and likely to take a toll on you, but do not worry! It is an intimidating, yet rewarding change. High school is an experience that cannot be depicted via books, television shows, or movies. High school is what you make it. This year is your year of exploration. Use it well and get involved in the many organizations at our campus. The more involved you are as a high schooler, the more fun your experience!

Sophomores, say hello to year number two! For many of you, this is your first year in which you will separate yourself from “everyone else”. Perhaps it is your first year taking an AP class, enrolling in a COFA course, or being on a sports team. Whatever you choose to do with your elective course, never be afraid to pursue your goals! Sophomore year is an exciting year! You only have one year before the dreaded “junior year”. Only one more year of being able to ask for car rides without feeling ashamed. Only one more acceptable year of being somewhat careless. Take advantage of these sophomore perks, and put all your effort into making this school year the best one yet!

Juniors, you have reached the “hardest level”. Think of junior year as the final stage in your favorite video game. It may be strenuous, but you can look forward to the bonus round that is senior year! This year, you may be taking more honors/AP courses than you ever have, registering for your first SAT, and starting to think about where you want to apply for college. Although these are scary realizations, do not let them burden the excitement of your junior year. Maybe this is the year to get your license this year and be able to drive out to lunch everyday! Although many view “Junior Year” as the hardest twelve months of their high school experience, it is also one of the most treasured and memorable times. Make an effort to mark your junior year as enjoyable rather than stressful!

Seniors, we’ve arrived. Three years ago, we walked into darkness and ambiguity as intimidated freshmen. Now, we return as the lights and guides of the school. Think back to when you were an underclassman and remember the impact that the seniors had on you. It is now our turn to lead the school and be the “older brother” or “older sister”. This is your last year of high school! Dress out for spirit days, go to all the dances, cheer at our sporting events! After this year, you will never again be able to partake in the wonderful student activities as Sunny Hills. I could not be more excited for our senior year. Let’s make this year count.

Yours Faithfully,  
Ryan Jewe  
ASB President

## OVERVIEW

### DAILY BULLETIN

The Daily Bulletin (announcements) is read each morning at the beginning of 2<sup>nd</sup> period. All announcements need approval before being read on the loud speaker. Therefore, all school- related announcements must be submitted via email to the ASB Clerk from the **faculty advisor's email** by 10:00 am one day prior to making the announcement. The Daily Bulletin is also posted on the SHHS website.

### TEXTBOOK LOCKERS

The use of textbook lockers is optional. Textbook lockers are operated and maintained by the PTSA and are available for students to use during school hours. **Because lockers are located on school property, they are subject to search at any time.** Lockers are available with the understanding that the student assumes the responsibility for the security of items kept therein. **Students may not share lockers or leave items in the lockers after school hours.**

Again, locker use is optional and students who choose to use lockers do so at their own risk. Sunny Hills High School will take every reasonable action possible within its resources to protect student property and investigate reports of vandalism and theft, but neither the school nor the PTSA is responsible for property losses or damage occurring from these lockers during the school day or after/before school hours. This includes damage to property, theft of both personal and school items, or damage to belongings due to weather. Because lockers are not safe from vandalism or theft, students are strongly advised not to keep valuables in them at any time. Personal belongings, school books, equipment, and materials checked out to the student are the sole responsibility of the student and in the event that personal or school property is stolen from a school locker, the student must immediately file an incident report in the Activities Office (Room 6).

Damage or defacement of lockers will result in the loss of locker privileges and disciplinary action. Students using lockers are expected to keep their lockers clean from such things such as stickers, writing, graffiti, etc. Locker vandalism must be reported to the Activities Office (Room 6) immediately upon discovery.

### HEALTH SERVICE

On-site health services are limited to basic first aid procedures. Injured or ill students are to report to the Attendance Office (Room 7.) Parents will be contacted and/or emergency services called as warranted. State-mandated hearing and vision tests will be arranged for those in grade nine. Contact information must be kept current.

### INSURANCE

Sunny Hills High School does not provide medical insurance coverage for school accidents. This means that parents/guardians must pay student medical bills if a student is injured during school activities. In accordance with the Education Code and District policy, all participants in athletics must provide proof of insurance or purchase (Myers, Stevens & Toohey) student accident and health insurance (minimum coverage of \$1,500 accidental death benefits.) Myers, Stevens & Toohey applications are located in the Activity Office (Room 6.) All students are to report accidents to a SHHS staff member at the time of injury.

### LIBRARY/LYCEUM

The library provides students with access to materials needed to complete classroom assignments. Often, students visit the library with their class to work on a group project, complete school assignments, and conduct research using the computers and books. The library provides resources with research, project materials, and study space for 150 people.

The library is divided into three large rooms, called the Aspen, Oak, and Sycamore Rooms. The Aspen Room provides a reading and writing room with a supporting literature library. The central room, the Oak Room, contains the Reference Library supported with computers. The Sycamore Room is set up to host study groups and provides the Humanities Library.

The library operates an electronic library providing access to over 100,000 full text books, magazines, newspapers, and study tools and can be accessed from either school or at home at <http://library.sunnyhills.net>. The library's hours are 8:00 AM-4:00 PM, Monday through Friday. The library holds 30,000 volumes that are divided into three (3) libraries: a Literature Library that includes novels, short stories and works on literary criticism, a Reference Library for science and technology, and a Humanities Library providing works in the arts, philosophy, languages, geography, history, etc.

Students may checkout books from the *Literature and Humanities Libraries* for 2 weeks at a time and renew the books as needed. When books are returned late or not renewed, a **late fee** of .25 cents/day will be levied. Lost or damaged books must be reported to the librarian to determine the replacement cost. All fines must be paid by the end of the school year.

**IMPORTANT:** You must have a valid school ID card to checkout materials

## **TEXTBOOK PROCEDURE**

The school provides textbook to all students. Students are responsible for the care and condition of their textbooks until returned to the school library. Students are NOT to leave their textbooks in their lockers overnight and especially during weekends or holidays. Neither Sunny Hills High School nor the PTSA is responsible for damage (including by weather) or theft of any textbook while in a locker. Students are fined for damaged, lost, or stolen textbooks.

Unpaid fines for textbook(s) and/or overdue library books will result in the withholding of grades, final transcripts, caps and gowns, diplomas, dance tickets, senior activities and/or the school yearbook.

Students are expected to handle books with care and to protect them from damage. Please do not use tape or self-sticking book covers on any book and the use of a textbook cover is highly recommended.

## **WORK PERMITS**

Work permits are a legal requirement for minors who are employed. Applications are processed through the Guidance Office (Room 5.) Permits may be revoked for unsatisfactory school progress.

## **WAIVERS FOR SCHOOL TRIPS**

Students making any type of trip sponsored by the school are required to obtain waivers signed by a parent or guardian. The necessary waiver forms are supplied by the particular advisor or teacher involved.

## **VISITORS TO CAMPUS**

ALL VISITORS, including parents, must report to Administration (Room 4) to obtain a visitor's pass and sign in. Under no circumstances are students from other schools or younger brothers or sisters permitted to accompany Sunny Hill's students on the campus or in the classroom. Please schedule conferences with counselors, teachers, and/or administrators at least 24 hours in advance to ensure staff availability.

## **LOST AND FOUND**

The lost and found depository is located in the Attendance Office (Room 7.) If property is lost or stolen, an incident report may be completed and filed in the Student Activities Office (Room 6.) SHHS is not responsible for items left in this cabinet.

## **STUDENT PARKING/DRIVING REGULATIONS**

Parking in the student lot is by permit only. Permits are issued by the Assistant Principal of Instruction & Student Activities to all eligible junior and senior students for a fee. Students who want to park on campus need to complete a parking permit application (Room 6.) To apply for a permit the following information is required: a valid driver's license number, proof of insurance, student name and ID number, vehicle license number, student signature and parent/guardian signature.

Purchase of a parking permit is optional. The student parking lot is open to all students with parking permits on a first-come, first-served basis. If the lot becomes full, students are to park (legally) on the local surface streets near campus.

All student-driven vehicles must, without exception, be parked in the student lot in a proper manner in marked spaces only. The Fullerton Police Department enforces all parking regulations on campus. Vehicles parked illegally may be cited or towed from the campus at the owner's expense.

The parking lot is off limits to students during school hours and lunch. Students are not allowed to sit in parked vehicles at any time or use their car as a locker.

Student vehicles parked in a red zone, fire lanes, reserved parking areas (such as staff or visitor parking spaces) or in areas which block emergency road access are subject to school and legal consequences and may be towed away at the owner's expense.

Students must drive in a **safe and appropriate** manner. Any driving behavior which calls attention to itself will be considered inappropriate and the student involved will be subject to disciplinary action. **DRIVING PRIVILEGES MAY BE SUSPENDED ON THE FIRST OFFENSE WITHOUT WARNING!**

1. Do not exceed the posted speed limit of 10 mph.
2. Driving on access roads is prohibited.
3. Drive on the right side of the road at all times.
4. Obey all traffic direction arrows and flow patterns, including in the parking lots.
5. Do not load or unload passengers in the red zone or stop in the middle of the road. Use the yellow zone, "loading only," to avoid traffic congestion and observe pedestrian safety.
6. Be a courteous driver, especially during the morning and afternoon rush hours. Do not "cut in" the traffic lines that sometimes form.
7. Driving on the district service road near the baseball field, behind the weight room and pool, or any other location on campus is prohibited.
8. Do not cut through the parking lot.

### **USE OF SCHOOL TELEPHONES**

School telephones are not to be used by students unless special permission is given. To ensure as few interruptions to the instruction as possible, **telephone messages are not delivered to students, and students are not paged over the public address system.**

### **PERSONAL PROPERTY**

The district assumes no liability and is not responsible for loss, damage or theft of personal property brought onto campus. If a student is observed using an electronic signaling device during school hours or if the use of an electronic signaling device results in a disruption of the instructional process, the device may be confiscated (including but not limited to cell phones, IPOD's, MP3's, cameras, radios, CD/DVD and video game players.) The school does not assume liability for the safekeeping of any personal property. The district is not responsible for any device that is lost, stolen or damaged, even after it is confiscated.

### **CLOSED CAMPUS POLICY AND LUNCH PERMITS**

Sunny Hills High School is a closed campus during the hours of 6:00 am to 2:43 pm. However, an 11<sup>th</sup> or 12<sup>th</sup> grade student is allowed to leave campus during lunch (12:07 pm – 12:37 pm) **if** a parent or legal guardian of the student has completed a "Request for Permit to Leave Campus During Lunch." To leave during lunch, students must present their student ID to show proof of their lunch permit. **Lunch permits are a privilege and not a right and therefore may be revoked.**

#### ***A closed campus means that all students are required to:***

- Leave campus after their last scheduled class, for lunch, unless a lunch pass has been obtained.
- Remain on campus during free periods, for break, and between classes.
- Properly check in and/or out at the attendance office, before leaving campus during the school day. Parent permission is necessary before a student is released from school during school hours

**When a student leaves campus during the lunch period, neither the district nor any of its employees can be liable for the conduct or safety of the student during that period. Students are to comply and observe school rules while on or off campus during lunch.**

- The residential and field areas adjoining the campus are off-limits and out-of-bounds to students.
- All rights of property ownership are to be observed at all times; littering, loitering, and trespassing IS NOT permitted.
- Loitering in vehicles parked either on or off campus during the school day and lunch period IS NOT permitted.
- Students are not permitted to enter neighboring elementary, intermediate or high school campuses at lunch or during school hours.
- Students who fail to comply with the above regulations will lose their lunch pass privileges, and possibly face additional disciplinary action.
- Guests are not permitted to visit students either during break or lunch.

## ATTENDANCE INFORMATION

Attendance and tardies are recorded and reported for each class period daily. California State Law requires all persons age 18 and under to attend school until graduation. The State approves absences due to illness, traffic court (with court documentation), school-approved functions, performance competitions, pre-approved college interviews, subpoena to court (with court documentation), or a family emergency. Both Unapproved and Approved absences result in a loss of money to the school for programs it provides for its students. There is no school approved "Ditch Day" at any time during the year. **Unapproved** absences include (but not limited to) vacations, baby-sitting, errands, oversleeping, DMV appointments, and no ride to school. Any school official has the right to request a Doctor's note if a student has missed more than five (5) days of school in a semester and/or three or more consecutive days of school. Parents must sign doctor's note in order to be accepted for clearance of an absence. For further concerns regarding attendance, please schedule an appointment to speak with the Dean of Academic Services.

Students are expected to attend all classes on time. Parents/Guardians are required to verify a student's absence within three (3) school days. Parents/Guardians may send a note or call the Attendance Office (714) 626-4212 stating the student's name, ID number, and date of absence and reason for the absence. **According to District policy, absences not cleared within three days are considered (U) unexcused and may result in Saturday School assignment.** The Board of Trustees' regulations indicate that **AN ACCUMULATION OF THREE DAYS OF UNEXCUSED ABSENCES WITHIN A SEMESTER WILL RESULT IN THE LOSS OF ONE (1) UNIT OF CLASS CREDIT.** Students who earn partial credit in a required course must regain the unit of credit and should coordinate unit makeup with their counselor. Seniors who lose required units of credit during the second semester will not graduate until summer school makeup is completed. Teachers may also assign detentions for period "cuts" or refer a student to an administrator for a Saturday School assignment. Students with approved absences are entitled to do makeup work. For completion of the makeup work, a student has only as many school days as the reported excused absence. **IT IS THE STUDENT'S RESPONSIBILITY TO ASK THE TEACHER ABOUT THE MAKEUP WORK.** In some instances, the letter grade of a frequently absent student may be adversely affected; however, units of credit may still be earned. To avoid misreported unexcused absences, **students are required to check in and out at the attendance office when arriving late or leaving early. Failure to adhere to this procedure will result in an unexcused absence.**

The school will attempt to notify parents of un-cleared absences, however, students and parents are urged to take the initiative and monitor student attendance via ABI.

Parent conferences are required for persistent attendance problems. **State Law states that any student who misses three (3) periods or has three (3) tardies, which are unexcused in one school year, is identified as a habitual truant.**

## OFF-CAMPUS TRANSFERS

Students who leave campus during the school day are required to sign out through the attendance office and obtain an off-campus transfer before leaving campus. Upon return to campus, students are to check in with the attendance office. **FAILURE TO CHECK OUT OF SCHOOL WILL RESULT IN A "CUT" OR "U" UNEXCUSED ABSENCE IN THOSE CLASSES MISSED.**

## TARDINESS

Promptness to class is considered an important factor in the student's development. In addition, punctuality is necessary to the educational process because it reduces class interruptions, increases time on task and minimizes duplication of instruction. The Tardy Policy summary below reflects this philosophy:

### Third Unexcused Tardy

The teacher may assign a one-hour detention, conference with the student, advising him/her of the potential citizenship grade reduction and a reasonable effort will be made to contact the parent regarding the tardiness problem.

### Sixth Unexcused Tardy

The Dean or school designee may issue a two-hour Saturday School assignment.

### Ninth Unexcused Tardy

The Dean or school designee may issue a four-hour Saturday School assignment.

### Twelfth Unexcused Tardy

The Assistant Principal, Instruction & Student Activities may issue a one-day Suspension or decide on an alternate progressive discipline measure such as a parent conference and/or a Behavior Contract.

## **MAKE-UP WORK**

Absence from class is one of the greatest contributing factors to unsatisfactory school work and should be avoided except in emergencies or illness. School work missed because of excused absence must be made up within a period of time equal to that of the time lost. In cases involving serious illness or injury, this time may be extended. **IT IS THE STUDENT'S RESPONSIBILITY TO ARRANGE FOR MAKING UP WORK MISSED.** Students will not be allowed to make up work unless the absence has been cleared by a parent or guardian. Other teachers or staff members are not permitted to excuse period or daily absences.

## **DELIVERY OF ITEMS**

The Attendance office cannot accept flowers, balloons, and similar items on students' behalf. Please do not have items of any kind delivered to school. Students will not be summoned from classes to retrieve items. Sunny Hills High School is not responsible for any items left for student pickup.

## **STUDENT CLASSIFICATION BY UNITS OF CREDIT**

According to the Board of Trustees, students in the FJUHSD are classified by grade level according to the number of units completed. Cumulative units of credit are reported on semester report cards. The classification system follows:

|           |   |
|-----------|---|
| Grade 09: | Completion of 0-54 cumulative units of course work    |
| Grade 10: | Completion of 55-109 cumulative units of course work  |
| Grade 11: | Completion of 110-159 cumulative units of course work |
| Grade 12: | Completion of 160 cumulative units of course work     |

## **GRADES**

In general, the following criteria are used in determining grades for academic classes: attendance and punctuality, classroom participation and effort, tests and quizzes (announced and unannounced), notebooks, homework, laboratory work and projects. Report cards are sent home quarterly, with the first and third quarters as progress reports, and the semester grades as the permanent records for the transcript.

### **Grade designations are:**

|    |               |
|----|---------------|
| A  | Excellent     |
| B  | Above Average |
| C  | Average       |
| D  | Below Average |
| F  | Not Passing   |
| I  | Incomplete    |
| CR | Credit        |
| NC | No Credit     |

### **Citizenship grades are:**

|   |                   |
|---|-------------------|
| O | Outstanding       |
| S | Satisfactory      |
| N | Needs Improvement |
| U | Unsatisfactory    |

Five units of credit are awarded for a semester class satisfactorily completed. Fewer than five units for credit will be awarded in some classes operating on a variable unit basis or when students have excessive truancies.

In order to avoid a grade of "F", an "I" mark which indicates incomplete coursework, must be removed within the following quarter. It is the responsibility of the student to contact the teacher regarding the completion of the coursework.

## **CREDIT/NO CREDIT Coursework**

Students may take courses for Credit or No Credit, instead of a traditional "A, B, C, D, F" grade. However, it is not recommended for students to request to take a course as CR/NC without a counselor's guidance. Request forms for CR/NC courses are available in the Guidance Office (Room 5.) The deadline for filing this request for a semester class is the last day of the first and third quarter. **IT IS NOT RECOMMENDED THAT STUDENTS TAKE UC REQUIREMENTS FOR CR/NC.**

## **Deadline for Dropping a Class**

The deadline for dropping a class without earning a grade "F" is the end of the third week of each semester. Changing a level within a course does not constitute dropping a course.

## Testing Dates

Testing dates and information associated with exams such as PSAT, SAT, ACT, AP, and IB tests are available in the Guidance Office, (Room 5) or can be found online at [www.sunnyhills.net](http://www.sunnyhills.net).

## Student Publications

Sunny Hills High School students produce two award-winning publications: HELIOS, the yearbook and ACCOLADE, the student newspaper. HELIOS offers hundreds of pages of memories--photos of students and their friends, school activities, sports, academics, teachers. This is an optional purchase and is a record of memories created during the year. ACCOLADE provides the latest news, sports, features, and student opinions. It's a timely news analysis which keeps students informed about school events, understand the major issues, learn about fellow classmates and tributes optional to senior students. ACCOLADE, an 8 to 12 page publication, is published every three to five weeks and is delivered to every classroom. Please consult the student registration flyers and/or the school website for pricing or contact the Publications Department at (714) 626-4225.

## Academic Honors

Sunny Hills High School encourages academic excellence in a variety of ways. Every month one or more outstanding students are selected from each department and honored as "Students of the Month." High ranking students of all grade levels are eligible to join the California Scholarship Federation (CSF). Selected students may apply for admission to the National Honor Society. Graduating seniors with a cumulative grade point average of 3.5 or higher will wear a gold/black/white tassel at commencement. In addition to these honors, Sunny Hills High School celebrates academic excellence by honoring students of all grade levels at the Lancer Knight Awards Programs and Honor Roll recognition held each spring.

## Schedule Change Procedures

Since teaching assignments are based on student registration, students are expected to register thoughtfully with two alternate choices indicated as a precaution for class conflicts. After registration, schedules will be changed for the following reasons only:

- Graduation requirement missing in schedule
- Computer error
- Incomplete schedule--periods missing
- Course completed in summer school
- Student failure in a class

An application must be completed to request a change and can be obtained from the Guidance Office (Room 5.)

**For sports changes, coaches will submit lists of teams; students may not initiate these directly.**

Requests for teacher preferences are not considered a reason for a schedule change due to contractual obligations concerning class size and balance. Consideration to teacher changes requires a parent conference with an administrator and must meet the following criteria: 1) previous failure with an instructor; or 2) persistent difficulty in a course in which a student had experienced prior academic success.

## Transcripts

Transcripts requests are made online at [www.parchment.com](http://www.parchment.com). After registering online, a request can be made for transcripts for colleges and universities, and other organizations requiring an official transcript. Transcripts are sent securely to the colleges, universities, or scholarship funds selected. Please see the Registrar in the Guidance Office (Room 5) for further assistance. **To Request Transcripts: Go to [www.sunnyhills.net](http://www.sunnyhills.net), Site Shortcuts (left hand side), "Request Transcripts"**

## Withdrawal Procedure

There is a withdrawal procedure for students needing to withdraw from Sunny Hills High School. A parent must accompany the student needing to withdraw to meet with the Registrar in the Guidance Office (Room 5.) After verification of the withdrawal request, the student is given a "Check-Out" form and is required to obtain a teacher's signature from each of the classes in which he or she is currently enrolled, along with a final grade. Also, all textbooks and other school materials must be returned and a signature is required from the librarian indicating that all materials have been returned. Finally, all school fines must be paid in cash prior to withdrawal. Please plan enough time to complete this process.

## Homework

Homework assignments are an important supplement to classroom instruction and contribute significantly to the achievement of the goals and objectives of every class. Time set aside for homework allows for critical review of concepts, for reflection about new ideas generated by classroom discussions, for practice and review of skills introduced during the class period, and for the development of independent-learning skills. In addition, homework helps students develop self-discipline, self-reliance,

and effective time management skills. Homework assignments need not always be written; they may take many forms depending upon the type of class and the teacher's objectives. If students are expected by teachers and by parents to complete assigned homework, then higher levels of learning can take place. Parents are urged to take an active part in the education of their students by periodically asking about school homework. Generally, students have homework at least four nights a week in most courses.

### **Conferences with Teachers**

Parents/guardians are encouraged to confer with their student's teachers regarding student academic progress. ABI provides pertinent information however if a parent/guardian desires to conference with a teacher, he or she may do so by either by phone, email or by appointment. Contact information for staff members is available online ([www.sunnyhills.net](http://www.sunnyhills.net).) Although most concerns can be handled successfully by telephone and/or email, parent/teacher/student conferences are welcome. Please schedule an appointment with the teacher directly.

### **Academic Honesty Policy**

Sunny Hills High School students are expected to attend school ready to learn. It is also expected, at all times, that student behavior reflects the ability to discern right from wrong. The well being of the school community depends on each student accepting responsibility for personal conduct in both social and academic endeavors.

Academic honesty requires that students take responsibility for producing work that is reflective of the student's best effort. Academic dishonesty is evidenced by cheating or plagiarism and involves any attempt by a student to show possession of knowledge and skills he/she does not possess. For purposes of this policy, the following definitions are in effect:

- Tampering with an instructor's record of student grades/scores.
- Un-authorized accessing, deleting, modifying, transferring or using any analog or digital files/software/programs locally or by remote access.
- Possessing and/or using a cell phone, camera, or recording device during a quiz or test.

#### PLAGIARISM IS:

- Taking the specific substance of another person's work and creating or offering it as one's own work without giving credit to that source.
- Not using quotation marks, indentation and/or footnotes to denote material that has been directly quoted from another source.
- Paraphrasing an author without giving credit.
- Use of a "ghost-writer"

### **Student, Parent and Teachers Responsibility**

#### STUDENT:

The student is expected to adhere to the tenets of this policy in completing all school related tests, quizzes, reports, homework, assignments and other academic work both in class and out of class.

#### PARENT

The parent is expected to support the spirit and intent of this policy by reviewing the policy with their student and encouraging the student to practice academic honesty.

#### TEACHER

The teacher is expected to promote the academic honesty policy through ongoing reference to and application of the District Moral and Civic Values.

- The teacher is expected to make clear to students the fact that the tenets of the academic honesty policy will be strictly enforced.
- The teacher is expected to act on and enforce appropriate consequences when any student is found to have violated the academic policy.

## USE OF TECHNOLOGY POLICY

Please review the following information closely:

Access to email and the Internet will enable students to explore thousands of libraries, databases, and bulletin boards while exchanging messages with Internet users throughout the world. Families should be warned that some material accessible via the Internet may contain harmful matter, be inaccurate, obscene, profane, illegal, or otherwise inappropriate for educational purposes. While our intent is to make Internet access available to further educational goals and objectives, students may find ways to access other materials as well. Parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using electronic information sources.

TECHNOLOGY IS A PRIVILEGE, NOT A RIGHT. Students are responsible for good behavior on school computer networks just as they are in a classroom or a school hallway. Communications on the network are often public in nature. General school rules for behavior and communications apply. Cyber-bullying may result in consequences including expulsion.

### Acceptable use of technology and electronic information resources includes:

- Communication in support of research and learning
- Access and exploration of appropriate information and resources
- Work on District-related responsibilities and projects, class assignments, or unit/lesson plans
- Publishing World Wide Web/Internet sites and pages in accordance with District guidelines provided by the classroom teacher

### Unacceptable use of technology and electronic information resources includes:

- Use for any illegal purpose
- Use for financial gain or for commercial, political, and/or personal use unrelated to an educational purpose
- Use involving impolite, inappropriate, abusive, dangerous, or obscene language
- Use involving accessing and/or changing computer files that do not belong to the user
- Use involving sending, receiving, or copying copyrighted material without permission
- Use involving cheating or plagiarizing
- Use involving a device or software that captures or monitors others' computer use
- Use that violates the rights of privacy of others
- Use that violates the rules of common sense or etiquette
- Use that accesses restricted information, harmful matter, obscene, profane, or otherwise inappropriate material
- Use that results in vandalism of property
- Use that results in harassment or bullying of others, including but not limited to defamatory statements aimed at a person(s) gender, age, disability, sexual orientation, ethnicity, religion, or political beliefs
- Use that compromises the security of the operating equipment and/or software
- Use of file-sharing programs without administrative approval

**Because the use of technology and electronic information resources is a privilege, not a right, the student is expected to respect the importance of acceptable use. As determined by the site administrator, students found to have engaged in unacceptable use may be subject to any or all of the following:**

- Parent conference
- Suspension and/or termination of computer-use privileges and/or e-mail and Internet access
- A zero grade on related assignments and/or removal from the course
- **Suspension and/or expulsion from school**
- Referral to law enforcement authorities
- Legal action to recover damages and penalties
- Other appropriate consequences

Files and communications may be reviewed to maintain system integrity and insure that users are using the system responsibly. The District reserves the right to conduct individualized searches of network user actions on the network if there is reasonable suspicion that a law or rule has been violated. By law, all email messages originating from all users in the Fullerton Joint Union High School District are saved for three years.

## **SUMMER SCHOOL**

The Fullerton Joint Union High School District offers two four-week summer sessions. Each four-week session is the equivalent of one semester. The courses, which are offered, are determined by a basic course list developed by the district. Student sign-up determines the courses, which actually are taught on a campus. Students may attend summer session at any high school within the FJUHS. Most courses run for four hours per day, Monday through Thursday. Consult the Guidance Office for current summer information.

Pre-registration for Summer School begins in March in conjunction with course registrations for the following year.

Summer school offers students a valuable opportunity to further coursework and all Sunny Hills High School students are encouraged to take advantage of this opportunity. There is no cost for summer school.

## **STUDENT/PARENT RESOURCE CENTER**

The Student/Parent Resource Center is located in the Attendance Office (Room 7.) This resource center is available for parents to access ABI and to communicate with teachers via email. Staff assistance is also available.

## **NORTH ORANGE COUNTY REGIONAL OCCUPATIONAL PROGRAM (NOCROP)**

NOCROP is a cooperative occupational training effort of Anaheim, Brea-Olinda, Fullerton, Los Alamitos and Placentia High School Districts. Classes are designed to give students "hands on" experiences in classrooms and community sites and to equip students with the satisfactory job skills and work habits they need to obtain employment.

All students may enroll in ROP courses if they live within the boundaries of the high school districts serviced by NOCROP. Students under the age of sixteen may enroll in an ROP course with a completed waiver form. To enroll, students should see the Career Guidance Specialist in Room 5 or phone (714) 626-4208.

High school students attending NOCROP classes may earn credit, which will satisfy requirements for credits for high school graduation. Units of credits earned in NOCROP classes are reported to the high school at the end of each semester for hours of active participation in class.

A portion of each class includes job-seeking techniques, procedures for filling out a job application, resume writing and the establishment of a permanent job reference file. ROP instructors are an excellent source of job information and may be able to assist in finding employment.

Placement opportunities are available in the Career Guidance Center at NOCROP's Anaheim facility located at 385 N. Muller Street, Anaheim.

BP/AR 0415 – Nondiscrimination  
BP/AR 5500 – Conduct

3. Acts of discrimination, harassment, intimidation, or bullying should be brought to the attention of the Principal.
4. You may make an anonymous complaint by contacting the principal or the District's Nondiscrimination/Anti-Bullying Coordinator or call anonymously 1-800-924-7233. If there is sufficient corroborating information, the District will commence an investigation. Students and parents also may contact the District's Nondiscrimination/Anti-Bullying Coordinator: Director of Administrative Services Dr. Jennifer Williams at (714) 870-2803 or [jwilliams@fjuhsd.net](mailto:jwilliams@fjuhsd.net).
5. Complaints will be considered confidential. However, it may be necessary to disclose certain information in order to effectively investigate.
6. Students who violate the District's policies on discrimination, harassment, intimidation, and bullying may be subject to discipline, including suspension and expulsion.
7. The District prohibits retaliation against individuals who make complaints or provide information related to such complaints.

Sunny Hills High School strives to maintain a safe, orderly environment which is conducive to student learning and academic success. Within the atmosphere of a safe school, students, teachers and staff feel secure to focus their energies on learning and personal growth. A positive, safe, and orderly school environment will continue to be our top priority and responsibility.

All teachers, staff and students share a mutual responsibility to support established rules and regulations, which are designed to maintain such a positive and purposeful atmosphere. The most important established campus policies, which work effectively to support a safe and secure school, are as follows:

- A. Visitors - Except for currently registered students and staff, all others at school are considered visitors. All visitors, including parents, are to report to the Administration Office (Room 4) to obtain a visitor's pass before entering any part of the campus. Visitors are to park in the designated visitors parking areas located in the west parking lot or south lot. Parents interested in the welfare of students are always welcome. However, under no circumstances will students from other schools, brothers or sisters of current students, or non-students be permitted to accompany or visit students anywhere on campus or in the classrooms. Sunny Hills is a "closed campus" and therefore does not permit anyone to enter campus until the visitor has properly checked in. Students are not to invite visitors to come to Sunny Hills. Students who violate this policy may be subject to disciplinary action.
- B. Threats, Intimidation, Fighting - Intimidation involves threats of mental or physical harm or pressure. Examples of this behavior include, but are not limited to, include bullying, cyber-bullying, domineering, extorting, or otherwise attempting to influence someone with the use of frightening action and/or words. Students who engage in threats, intimidation, or fighting may be subject to school and law enforcement consequences.
- C. Weapons - Possession of weapons, anywhere on the school campus (including in a car), or at school-sponsored activities is prohibited. Any item classified as a weapon by law enforcement agencies is considered such by the school. Weapons include, but are not limited to, knives, pocket knives, clubs, guns (loaded or unloaded), nunchuck sticks, metal knuckles, stars, large finger rings with sharp edges, or any object that is used as a weapon. "Look alike" weapons are also illegal and possession of them is a punishable offense. Students who are in possession of and/or brandishing a weapon will be subject to school and law enforcement consequences.
- D. Areas Off-Limits to Students - The following areas are assessable to students only when coming to or leaving school, before and after school: areas adjacent to campus, athletic fields, area in front of the PAC, west side of campus. Students may be in the parking lots only when coming to or leaving school at the start or end of the school day, after checking out through the attendance office to leave school, or during the lunch period to leave or return to school. Students may not loiter in the parking lot or use cars as lockers. Violation of this policy may result in discipline.
- E. The Fullerton Joint Union High School District has banned all of the following:
- Any kind of gun (real or fake)
  - Any kind of knife (real or fake)
  - Any kind of explosive (real or fake)
  - Any kind of drug
  - Any kind of tagging
- F. A "HOT LINE" - 1-800-924-SAFE has been implemented in an effort to prevent unlawful activities on District campuses. Students and others are urged to call this number to **anonymously** report weapons, explosives, drugs, tagging, or other dangerous or destructive items or activities on district campuses. The 1-800-924-SAFE number accesses a pre-recorded message and is retrieved at the District Education Center. Callers are asked to report any information that is pertinent and/or unsafe without identifying themselves. It is important to be specific about the campus, location on the campus; people involved and an investigation will immediately follow.

## **STUDENT BEHAVIOR EXPECTATIONS**

These rules are intended to supplement discipline rules established by Education Code Section 48900 and Board policies. Students and staff are to be provided with an environment, which provides the greatest opportunity for learning experiences.
